Student Start Date:	Expected Graduation Date:	

Review and initial section one of this form and submit it as an application for Zenith Graduation Financial Assistance consideration. The application form must be submitted to the Director of Student Finance (DoSF) or a Student Finance representative within thirty (30) calendar days.

- I understand I must continue to maintain satisfactory academic progress in my program of study and comply with the student code of conduct in order to qualify for this financial assistance program.
- I understand I must successfully complete my current program of study in order to qualify for this financial assistance program.
- I understand the amount of my financial assistance may vary from other students and will be based on a proration of tuition charges over the time remaining in my program of study.
- I understand the financial assistance awarded will be applied to my student account as a non-cash payment at the time of graduation to cover any outstanding tuition or fee expenses and that any credit balance that results will be resolved by:
 - A payment to the government as reimbursement for payments received by Everest from my federal student loans to reduce my loan obligation.
 - A payment to the lender as reimbursement for the payments from a private student loan that the lender directly disbursed to Everest.
 - A payment to me for any tuition I previously paid to Everest directly.
